1. Background information

The Global Center on Adaptation (GCA) is an international organization that works as a solutions broker to catalyze action and support for adaptation solutions, from the international to the local, in partnership with the public and private sector, to ensure we learn from each other and work together for a climate resilient future. Adapting to impacts of climate change provides a “win-win” for health, livelihoods, food security, water supply, human security, and economic growth. The work of the GCA elevates the visibility and political importance of climate adaptation and facilitates solutions, such as smarter investments, new technologies and better planning to become more resilient to climate-related threats. GCA is a rapidly growing organization with offices in Abidjan, Beijing, Dhaka, Groningen, and Rotterdam.

The GCA has an ambitious 2020-2025 business plan with three pillars:
- Programs and Action: Food Security; Using Nature for more resilient infrastructure; Water for Urban Growth and Resilience; Climate Finance; Youth Leadership
- Knowledge Acceleration: Building adaptation knowledge globally through cutting edge products such as the State and Trends in Adaptation Report and the Knowledge Exchange Platform
- Agenda Setting and Advocacy: Formulating policy messages to move the global, regional, and local adaptation agendas forward.

Nine out of the ten most vulnerable countries to climate change are on the African continent. The impact of this vulnerability is manifested through increased changes in climate hazards, including heat and precipitation across the continent. Climate projections from the latest IPCC report predict an increase in projected risks at 1.5ºC, 2ºC, 3ºC, and 4ºC of global warming. The report also establishes an increase in quantification of risks across all sectors.

To address these needs efficiently, Africa requires adaptation measures to reduce climate risks and vulnerability via adjustment of existing systems. The cost of adapting however remains significantly higher than the financial flows to the continent. For example, adaptation costs amounted to US$ 7 - US$ 15 billion climate every year in Africa since 2020 due to the devastating effects of climate change and these are predicted to rise to about US$ 50 billion per year by 2030 according to the latest IPCC report. To meet these costs, Africa only received 3% of global climate funding between 2016 to 2019 and of this, only 24% went to Adaptation needs according to recent CPI reports.¹

The African Union Commission leads in setting the strategic agenda and policy thrust on climate change for the African continent through coordinating the formulation of various guiding frameworks. Some of these strategic policies include the African Union Climate Change and Resilient Development Strategy and Action Plan 2022-2023, which provides a framework for joint action and priorities to help unlock Africa’s potential in building climate-resilient communities and economies. Another strategy, the African Union Green Recovery Action Plan, tackles the combined challenges of the covid-19 recovery and climate change, focusing on critical areas of joint priority from climate finance to land use and biodiversity. The Comprehensive Africa Agriculture Development Program (CAADP) provides the

¹ https://www.climatepolicyinitiative.org/publication/climate-finance-needs-of-african-countries/
framework for action for agricultural transformation across Africa, supporting member states in increasing investment and productivity in the agricultural sector.

The AU Department for Agriculture, Rural Development, Blue Economy and Sustainable Environment (ARBE) is responsible for advancing the Commission’s strategies, policies and programs on agriculture and food security, environment, climate change, water, land and natural resources and rural economy and for ensuring the implementation of the different guidance frameworks on climate change. As Adaptation continues to receive little attention in Africa, support to the department and to the Commission to adequately advance the different guidance frameworks, policies, and strategies on climate change is needed. One of these ways is through close work with specialized agencies and institutions with the expertise and mandate to advance climate change.

It is against this backdrop that the Global Center on Adaptation is collaborating with the African Union Commission to advance climate adaptation on the continent.

Through the AAAP, support is being provided to the Federal Democratic Republic of Ethiopia and countries in the Horn of Africa in strengthening Adaptation to climate risks in its agricultural sector by increasing the resilience of smallholder farmers. GCA is also supporting MDB investment projects in the country to improve water development opportunities, looking at the design and resilience of water catchment areas.

To support the AUC Commission in the implementation of Adaptation Programmes through the collaboration between the AUC and GCA, and to consolidate and further identify opportunities for the AAAP to support adaptation investments in Ethiopia, GCA will provide a liaison officer to be embedded in the AU Commission department of Agriculture, Rural Development, Blue Economy and Sustainable Environment (ARBE) and specifically in the Directorate of Sustainable Environment and Blue Economy (SEBE) by GCA for an initial period of one year. The roles and responsibilities of the Liaison officer will cover support to the African Union Commission and the government of Ethiopia within the framework of GCA’s collaboration and programs in the institution and country respectively.

2. Objective of the Assignment
The main objective of the GCA liaison officer to the AUC is to facilitate the interface between GCA, and the African Union Commission, in both a technical and operational capacity, with the aim of coordinating the identified areas of cooperation between both institutions, given the strategic role of the AAAP in supporting the implementation of Adaptation programs by AUC. The officer will also identify opportunities for advancing AAAP investment support to Ethiopia.

• Serve as GCA’s representative and liaison officer to UNECA and the government of Ethiopia and countries in the Horn of Africa, to initiate AAAP investment and demand in these countries.
• Provide advice to the government of Ethiopia and countries in the Horn of Africa where necessary, on the implementation of their national adaptation plans; supporting their access to international climate funds and to enhancing the capacity of their national experts on the topic of adaptation.

ARTICLE 6

Deliverables

6.1 Upon the delivery of the Deliverables or any portion thereof in accordance with Article 2, GCA will evaluate the same whether to accept or reject.

6.2 If the Deliverables or any portion thereof fail GCA’s acceptance test, the GCA will inform the Contractor of the reasons for such failure. The Contractor will endeavor to identify and remedy the cause for any such defects within the due dates as set out in the description of the Services, or another such period as may be agreed between Parties. The Contractor will re-deliver the Deliverables or any portion thereof to GCA. GCA will repeat the acceptance test and will inform the Contractor of the result thereof.

6.3 If following the procedure set out in Article 6.2 any Deliverables or portion thereof fails in a material respect to pass any repeated acceptance test, then Parties may agree:

6.3.1 To repeat the procedure set out in Article 6.2; or
6.3.2 To engage a third party with equivalent industry experience to identify and rectify any defects, the costs of which shall be borne by the Contractor; or
6.3.3 To terminate this Contract on immediate written notice and the GCA shall owe the Contractor no further payments in respect of the rejected Deliverables and any prepayments relating to these undelivered Deliverables shall be paid back by the Contractor to GCA.

ARTICLE 7
Warranties

7.1 The Contractor shall sign the Declaration on Honor attached to this Contract as Annex 2.

7.2 Contractor warrants that none of the situations of exclusion, as described in Sections I and II of the Declaration on Honor (Annex 2) applies.

7.3 Contractor warrants that all relevant contributions for national and employees’ insurance and other taxes to which it is (or: could be held) liable in the Netherlands and/or in any other country will be paid within the relevant time-limits set.

7.4 Parties warrant that at the date of this Contract there exists no fact or event which would preclude the Party from entering into this Contract or carrying out its obligations under this Contract.

7.5 Contractor warrants that for a 90-day period from the final payment under this Contract (hereinafter the “Warranty Period”), the Deliverables shall be free from material defects. If, during the Warranty Period, the GCA believes that there is a breach of this article 7.5, then GCA will notify the Contractor in writing, setting forth the nature of such claimed breach. The Contractor shall, at no additional charge to GCA, promptly take such action as may be reasonably required to correct such breach.

7.6 Contractor warrants that the Services provided hereunder, and the Deliverables delivered to GCA shall not infringe or violate the intellectual property rights or any common law right or any personal, proprietary, or other right of any kind whatsoever of any person, firm or third party.

7.7 Contractor warrants that the Services will be provided in accordance with all applicable laws, regulations and industry guidelines as applicable from time to time.

7.8 Contractor warrants that it shall only process GCA’s data in order to perform its obligations under this Contract and shall only process the data in accordance with the General Data Protection Regulation (GDPR).

ARTICLE 8

Indemnification

8.1 Contractor shall indemnify and hold harmless GCA against all claims, fines, costs and damages in connection with and/or resulting from any default in relation to Article 7.3 (employees taxes and insurances).

8.2 Contractor shall further indemnify and hold harmless GCA against all claims, costs and damages in connection with and/or resulting from any act or omission to act in relation to the Services, unless such act or omission to act directly results from any act of GCA for which it can be seriously blamed. Contractor waives any entitlement pursuant to article 7:658 sub 4 BW Dutch of laws.

8.3 Without prejudice to any other rights set out in this Contract, each Party (hereinafter the “Indemnifying Party”) hereby agrees to indemnify and hold harmless the other
Party (hereinafter the “Indemnified Party”) from and against any and all direct losses arising out of or in relation to third-party claims of any kind which, if proven by a non-appealable decision by the courts, would constitute a breach of the warranties made by the Indemnifying Party.

8.4 If a claim is made that may give rise to a claim for indemnity under this Article 8, then the Indemnified Party shall notify the Indemnifying Party of such claim immediately, give the Indemnifying Party all reasonable co-operation and shall not negotiate the claim without the consent of the Indemnifying Party in writing.

8.5 Should changes occur during the term of this Contract that are (or could be) relevant to the assessment of the legal relationship between the Parties for tax purposes, national insurance and/or civil law, the Contractor shall inform GCA immediately in writing.

8.6 The Contractor shall indemnify and hold harmless the GCA against all claims, fines, costs and damages in connection with the Contractor’s breach of national and international laws.

ARTICLE 9
Confidentiality and Marks
9.1 Contractor undertakes to take sufficient measures to ensure confidentiality with respect to all business data and information of GCA and/or of its business partners, unless the use or disclosure of this information and data is necessary for the performance of the Services and/or the subject information and data have become generally known without this being due to breach of the duty of confidentiality.

9.2 Contractor undertakes to use the data and information referred to in Article 9.1 only to perform the Services.

9.3 GCA grants Contractor a non-exclusive, non-transferable, non-assignable and limited right and license to use the following only to perform the Services in accordance with this Contract: The GCA’s trademarks, trade names, tag lines logos or service marks and any information made available to the Contractor by GCA.

9.4 If the Contract is terminated or dissolved, Contractor must see to it that all materials, electronic media, documentation and other information carriers with data and/or information made available by GCA will be returned to GCA immediately and all digital or other copies are destroyed, deleted and removed.

ARTICLE 10
Intellectual, Industrial and Proprietary Rights
10.1 Upon payment of the Deliverables pursuant to Article 5, all right, title and interest in the output of the Services shall automatically vest in the GCA and the GCA shall be the sole and unlimited owner thereof and of rights therein throughout the world forever. GCA shall retain all such rights therein, including statutory copyrights, and all renewals thereof, as copyright author and proprietor.
10.2 The Contractor agrees to execute and deliver, and to use maximum endeavors to cause any subcontractor to execute and deliver, to GCA any and all instruments, source documents, designs, instructions and codes reasonably required by GCA in connection with the use, adaption and enjoyment of the Deliverables and of the GCA’s rights therein and thereto.

10.3 Contractor undertakes to do everything necessary to see to it that all existing and any future Intellectual and/or Industrial Property Rights pertaining to results in connection with the Services are (and remain) vested with GCA or with third party designated by it. The rates that Contractor charges to GCA in the context of the Contract shall be deemed, in as far as necessary, to include payment for these Intellectual and/or Industrial Property Rights. To effect this transfer, the following acts must at any rate be performed: by signing the Contract, Contractor transfers to GCA all existing and future Intellectual and/or Industrial Property Rights to existing and future results of the Work.

10.4 Insofar as these acts prove not to see to it that all Intellectual and/or Industrial Property Rights are transferred to GCA, Contractor undertakes, if the situation arises, to do everything possible to effect the transfer, without the Contractor being allowed to attach further conditions to its cooperation. As long as this has not been done, Contractor hereby gives GCA: irrevocable authorization to exercise and protect the powers arising from the relevant Intellectual and/or Industrial Property Rights in and out of court; an exclusive, irrevocable license, not subject to a time limit, to the relevant Intellectual and/or Industrial Property Rights.

10.5 Insofar as Contractor has made any material available to GCA, to which material Contractor has Intellectual and/or Industrial Property Rights, Contractor states that it shall grant GCA a non-exclusive and non-transferable right to use this material. Furthermore, Contractor indemnifies GCA from claims of third parties based on (alleged) Intellectual and/or Industrial Property Rights or on any other basis.

10.6 It is acknowledged and agreed by the Parties that GCA owns all property rights and may use, adapt, add to and subtract from the Deliverables and combine these with other artistic or literary material and to publish the result by any means, it being understood that the Contractor (including its employees and subcontractors) hereby waives and agrees not to exercise any so-called “moral rights” which may now or may hereafter be recognized.

ARTICLE 11

Termination of the Contract

11.1 In addition to the statutory provisions pertaining to termination, in the cases below, without judicial intervention or further notice of default, whole or partial termination of this Contract shall be possible, with immediate effect, for:

11.1.1 Either Party, if the other Party has applied for a suspension of payment, or that other Party has been adjudicated bankrupt;

11.1.2 Either Party, if the other Party is prevented by force majeure from complying with its obligations wholly or in part for a period of three months or more;
11.1.3 Either Party, if the other Party discontinues its business operations;
11.1.4 The GCA, if the Contractor, after a written demand from the GCA allowing a reasonable time for compliance, still fails attributably to comply promptly, properly or at all with any obligation under this Contract;
11.1.5 The GCA, if there is any doubt about the reliability and/or integrity of the Contractor, resulting from the screening process including but not limited to, for example, the condition that it has been determined that the Contractor has been involved in serious incidents or irregularities with previous employers and/or on previous assignments;
11.1.6 GCA, if one or more of the exclusion criteria mentioned in section I or section II of the signed Declaration on Honor becomes true for the Contractor.

11.2 Termination of this Contract shall not affect the other rights and/or recovery possibilities of the Party terminating it.

11.3 In the event of termination by GCA due to the fault of the Contractor, the GCA shall withhold and deduct from payment to Contractor the amount reasonably deemed necessary to complete the Services and deliver the Deliverables.

11.4 Unless and to the extent otherwise specified in this Contract, on the termination of this Contract for any reason, the GCA shall be responsible for paying the part of the Fee for Deliverables that have been accepted by the GCA up to and including the effective date of termination.

11.5 In the event that either Party wishes to terminate this Contract, a 30-day notice period will be taken into account by both the Contractor and the GCA, except for the situations mentioned in Article 11.1 above.

11.6 The following Articles shall survive any termination or expiration of this Contract, together with any payment obligations and provisions that by their nature shall survive: Article 7 (Warranties), Article 8 (Indemnification), Article 9 (Confidentiality and Marks), Article 10 (Intellectual, Industry and Proprietary Rights).

**ARTICLE 12**

**Liability**

12.1 In case the Dutch Tax Authorities and/or the Implementing Authority with regard to social security (Uitvoeringsinstelling, "UWV") decide(s) that one or more of the invoices paid under this Contract are subject to wage tax and/or social security contributions, GCA shall levy the statutory deductions due and these shall be borne by Contractor, except for the premiums in respect of employees' insurances (premies werknemersverzekeringen) and the income dependent contribution pursuant to the Act on Insurance for Care (inkomensafhankelijke bijdrage Zorgverzekeringswet). From that moment all the fees involved will be considered as (gross) wages including holiday allowance and be reduced to the level where payment without wage taxes and/or social security contributions can take place.
ARTICLE 13

Sickness and Inability to Work
13.1 The Contractor agrees to bear the risks pertaining to the Services, including sickness and inability to work, and if the Contractor takes out insurance to cover such risks, the Contractor shall bear the cost of such insurance.

13.2 The Contractor shall not invoice to the GCA any days on which he/she was absent due to illness, leave or any other reason for being unable to perform the Services.

ARTICLE 14

Final Provisions
14.1 The Contractor shall sign the GCA’s Statement of Acknowledgment in Annex 1 which forms part of this Contract.

14.2 Amendments to this Contract shall be valid only insofar as they have been explicitly agreed in writing by both the signatories of this Contract, or any of their successors. The persons mentioned in Article 14.8 below, other than authorized representatives/signatories, are not legally representing any of the Parties and cannot amend this Contract verbally or in writing.

14.3 Contractor hereby declares that it has not offered or given GCA staff any benefit in order to obtain this Contract.

14.4 Contractor shall not be entitled to assign or otherwise transfer this Contract nor any of its rights or obligations under this Contract without the prior written consent of the GCA.

14.5 If at any time one or more of the provisions of this Contract becomes invalid, illegal or unenforceable under any law, the validity, legality and enforceability of the remaining provisions of this Contract shall not in any way be affected or impaired.

14.6 The Contractor and the GCA must always inform each other about:
   14.6.1 Possible problems arising in the performance of this Contract;
   14.6.2 Relevant changes that can be expected in the relation to the Services or this Contract.

14.7 Both Parties consent that this Contract, together with its amendments, may be signed electronically and such electronic signature shall be deemed valid.

14.8 The contact persons and contact details regarding the content and delivery of the Services are:
   For GCA: [name], [email], [telephone]
   For Contractor: [name], [email], [telephone]
