1. Introduction

1.1 Global Center on Adaptation

The Global Center on Adaptation (GCA) is an international organization that works as a solutions broker to catalyze action and support for adaptation solutions, from the international to the local, in partnership with the public and private sector, to ensure we learn from each other and work together for a climate resilient future. Adapting to impacts of climate change provides a “win-win” for livelihoods, food security, water supply, health, security, and economic growth. The work of the GCA elevates the visibility and political importance of climate adaptation and facilitates solutions, such as smarter investments, new technologies and better planning to become more resilient to climate related threats. GCA is a rapidly growing organization with offices in Abidjan, Beijing, Dhaka, Groningen, and Rotterdam.

The GCA’s ambitious 2020-2025 business plan and strategy have three pillars:

- Programs: Food Security; Using Nature for more resilient infrastructure; Water for Urban Growth and Resilience; Climate Finance; Youth Leadership.
- Knowledge: Building adaptation knowledge globally through cutting edge products such as the State and Trends in Adaptation Report and the Knowledge Exchange Platform.
- Advocacy and Awareness: Formulating policy messages to move the global, regional, and local adaptation agendas forward.

1.2 Program Background Information

As part of these activities, the GCA has launched a new project to develop “Africa Adaptation Acceleration Program (AAAP) Compacts”. These national investment roadmaps for climate adaptation aim to increase adaptation investments in Africa, in the current context of frequent and intense adverse impacts of climate change on national economies. These Compacts will enable African countries to strengthen their climate change adaptation agenda, allow them to meet their financial needs, and fill their adaptation funding gaps. The Compacts will provide individual African countries with a solid foundation for decision making, resource allocation, and greater investments in their adaptation projects and programs.

2. Description of Services

2.1 Purpose of this Assignment

Within this context, GCA is seeking a qualified firm to undertake the development of two additional AAAP Compacts for Benin and Ethiopia, from inception to the final reports. Additionally, the partner will be asked to progress two existing Compacts from their preliminary versions to the final stages, through review and editing. All four reports are to be delivered by COP28.

The detailed Terms of Reference and Deliverables for this assignment are presented in Annex 3. The total duration of this assignment is up to three months from contract signature.

Bidders shall respond to the strategic requirements of GCA with a strong emphasis on responsiveness to GCA technical requirements and performance, substantive progress reports, achievement of tasks and activities to match the Scope of Services/Terms of
Reference and the production of the deliverables on time, to highest applicable standards. For further information See Annex 3 – Terms of Reference.

2.2 Information about the Contract Package

GCA intends to enter into a contract that covers the Terms of Reference and Deliverables described in Annex 3. The financial envelope for this assignment is exclusive of VAT.

3. Preparation of Proposals

3.1 RFP Indicative Schedule

3.2 Communications, Clarifications and Amendment of RFP

The point of contact for all questions or requests for additional information is procurement@gca.org. All contact with personnel employed by the Global Center on Adaptation with respect to this RFP is prohibited, except for messages to the above email address. Improper contact may constitute grounds for rejection of your proposal. All inquiries regarding this RFP must be submitted in writing. Interest to bid and questions shall be sent to the above email address before the date mentioned in the timeline and must be labelled “Clarification Request - GCA-PR-23-388 - Consulting Services for the Development and Finalization of AAAP Compacts”. Each inquiry must include the inquirer’s name, firm and telephone number. The Global Center on Adaptation will share the answers to all questions of a reasonable nature with all the parties that have expressed their interest.

Clarifications by GCA will be communicated, in a suitably anonymous form, to all bidders on the GCA website and/or by email. No approach of any kind in connection with this request for proposal should be made to any other person within, or associated with, GCA. Failure to adhere to this requirement may result in exclusion from this Call for Proposals. Please note that GCA will not enter a detailed discussion on the requested services at this stage.

The closing date for clarifications concerning this Request for Proposal is 23 October 2023, 16:00:00 hours (04:00:00 p.m. o’clock), Central European Time (CET).

Bidders are cautioned that the timing of submitting a clarification is based on when the proposal is received by the GCA, not when a clarification is submitted by a bidder. As
transmission can be delayed due to file transfer size, transmission speed or other technical factors, bidders should plan to submit clarifications well in advance of the clarification Deadline to avoid submitting late due to technical issues. Bidders submitting near the clarification Deadline do so at their own risk.

All clarifications from each bidder must be placed in one consolidated request.

3.3 Language

The proposals, all correspondence and documents related to the RFP exchanged by the bidder and GCA, must be written in English.

Supporting documents and printed literature that the bidder provides may be in another language, provided they are accompanied by an accurate translation into English.

3.4 Cost of Submitting Proposals

GCA will not reimburse any costs incurred by interested bidders with connection with preparation and submission of their responses to this RFP.

3.5 Alteration or Withdrawal of Proposals

Bidders may alter or withdraw their proposals by written notification to GCA prior to the deadline for submission of proposals referred to in Section 4.1. No submission may be altered after this deadline. Withdrawals must be unconditional and will end all participation in the this RFP procedure.

3.6 Signature of the Proposal

The signature of the authorized representative of the bidder (single bidder or lead partner in case of a joint proposal) in Annex 1 will be considered as the signature of the proposal, binding the bidder to the terms included in the proposal.

3.7 Validity of Proposals

The proposals submitted in response to this RFP must be valid for the period of 90 days as of the deadline for submission indicated in Section 4.1. The bidder shall provide a statement confirming the period of validity of its proposal when submitting the required documents for this RFP.

GCA shall endeavor to conclude the RFP process within the validity period of the RFP. If, however, there are any circumstances that require GCA to request for validity extension from bidders, GCA shall do so in writing. Bidders have the right to accept or reject the request. In the latter case, the bidder’s proposal shall not be evaluated.

3.8 Currency

Proposals must be presented in EUR.
3.9 Content of this RFP

The package of this RFP comprises the following:

a) Instructions to bidders (this RFP document)
b) Annex 1: Proposal Submission/Identification Form
c) Annex 2: Declaration of Honor
d) Annex 3: Scope of Work/Terms of Reference
e) Annex 4: Financial Proposal form
f) Annex 5: Contract for Services

3.10 Joint Proposals and Subcontracting

An interested bidder may submit a proposal as a single entity or collaborate with other service providers to present a proposal either by submitting a joint proposal or through subcontracting. Proposals may also combine both approaches. The legal status and role of each legal entity shall be clearly described in the proposal, as well as the responsibilities of each entity in providing the services required by this RFP.

Joint proposals will be evaluated on a consolidated basis. Joint bidders/ventures must appoint a lead firm/organization and a point of contact authorized to act on their behalf in connection with the submission of the proposal and all relevant questions, clarification requests, notifications, etc. that may be received during the evaluation and award phases, and until signature of the contract.

If the joint proposal is successful, the GCA will sign the contract with the lead firm/organization, authorized by the other members to sign the contract on their behalf. All members of the joint proposal assume joint and several liability towards the GCA for the performance of the contract. Changes in the composition of the group after the proposal submission deadline and before the contract signature may lead to the rejection of the proposal except in case of a merger/takeover of a member of the group, in which case all Eligibility, Selection and Award Criteria must still be fulfilled by the new group.

3.11 Supplier Code of Conduct

GCA subscribes to the UN Supplier Code of Conduct | UN Procurement Division. By participating in this RFP, bidders agree to comply with this code.

4. Submission and Opening of Proposals

4.1 Submission of the Proposal

If you are interested in participating in this Request for Proposal, you are requested to submit your proposal to the link: GCA-PR-23-388 - Submit Proposal no later than 3 November 2023, 16:00:00 hours (04:00:00 p.m. o’clock), Central European Time (CET) (hereinafter referred to as “the closing date and time”).

Bidders are cautioned that the timing of submission is based on when the proposal is received by the GCA, not when a proposal is submitted by a bidder. As transmission can be delayed due to file transfer size, transmission speed or other technical factors, bidders should plan to submit proposals well in advance of the Submission Deadline to avoid submitting late due to technical issues. Bidders submitting near the Submission Deadline do so at their own risk.
Proposals received after the closing date and time will be rejected. GCA will confirm receipt of proposals within 24 hours from the closing date and time. Bidders that do not receive this confirmation must contact GCA within 48 hours from the closing date and time. After 48 hours from the closing date and time, GCA shall not respond to any queries related to whether a bidder’s proposal was received.

Please adhere to the following instructions, unless otherwise provided in the relevant Bid Documents. The Submission must be drafted in English and contain:

- Proposal Submission/Identification Form (Annex 1)
- A signed Declaration of Honor (Annex 2)
- A Technical Proposal: Shall contain the “Technical Proposal” and supporting documentation, with clear and concise description of your proposed actions to execute the Scope of Work/Terms of Reference and Deliverables (Annex 3). The Technical Proposal should not exceed 15 pages (excluding supporting documentation, CVs, and company profile) and 25MB in size for successful delivery. The GCA will not be held responsible for non-delivery of proposals exceeding 25MB.
- A Financial Proposal: Shall contain the “Financial Proposal Form” (Annex 4). The Financial Proposal should not exceed 10 pages and 25MB in size for successful delivery. The GCA will not be held responsible for non-delivery of proposals exceeding 25MB.
- All the supporting documentation in relation to the evaluation criteria.
- Proposals must be uploaded in two separate documents. One containing the Technical Proposal and the other containing the Financial Proposal.
- The Technical Proposal must have the Reference RFP-GCA-PR-23-388-TECHNICAL Proposal in the “Subject” line of the e-mail. No other characters or spacing should be included in the Subject line.
- The Financial Proposal must have the Reference RFP-GCA-PR-23-388-FINANCIAL Proposal in the “Subject” line of the e-mail. No other characters or spacing should be included in the Subject line.
- All financial information must ONLY be included in the Financial Proposal. No Financial proposals, quotes or any other related financial information should appear in the Technical Proposal.
• Proposals which do not comply with these requirements, e.g. combining the financial and technical proposals in one submission or submitted in any way, other than outlined above, will be rejected.

• In case of a joint proposal, all the partners (except the lead partner) shall submit a power of attorney, signed by an authorized representative of each partner, designating the lead partner to represent them and to sign the contract on their behalf in relation to this call for proposals.

Late submissions shall be rejected. Non-compliance with the above requirements regarding the presentation of the RFP may lead to the exclusion from the RFP process for this contract.

4.2 Opening of Proposals

The opening of proposals is for the purpose of checking and registering the content of each bid and to determine whether the proposal is complete and meet the minimum content requirements.

There will be no public opening session for the proposals received. Offers will be opened privately by GCA after the closing time specified for the receipt of proposals. No public announcement of the contents of any offer will be made at any time.

5. Evaluation of Proposals and Bidders

The evaluation of bidders and proposals will be done in accordance with the following subsequent steps:

• Verification that the bidder fulfils the Exclusion Criteria in Section 5.1 and that it is not in one of the situations covered by the exclusion criteria listed in EU Directive 2014/24/EU.

• Verification that the bidder has the appropriate capacities to perform the contract based on the Selection Criteria described in Section 5.2 (only for those bidders that were not excluded based on the Exclusion Criteria).

• Evaluation of the bidder based on the Award Criteria described in Section 5.3 (only for those bidders that have met the Selection Criteria).

• The Evaluation Committee shall evaluate the technical proposals first and shall thereafter open and evaluate the financial proposals of only those bidders whose technical proposals meet the minimum technical score.

• Where individual scoring is adopted, the Evaluation Committee shall discuss scores where there are significant discrepancies prior to computing the average score for each criterion.

• During financial evaluation, where there is a discrepancy between the amounts in figures and in words, the amount in words shall govern. Where there is a discrepancy between the unit rate and the line-item total resulting from multiplying the unit rate by the quantity, the unit rate shall govern, unless in the opinion of the Evaluation Committee there is an obviously gross misplacement of the decimal point in the unit rate, in which case the line-item total shall govern, and the unit rate shall be corrected.
The proposal must comply with the GCA strategic requirements set in this RFP as a precondition to be assessed. In a case of non-compliance with the Exclusion Criteria, the bidder will be informed of the grounds for rejection without being given feedback on the content of the proposal other than on the non-compliant elements.

The evaluation of proposals shall be carried out by an Evaluation Committee made up of representatives of GCA. Any attempt by a bidder to influence the Evaluation Committee in the process of examination, clarification, evaluation, due diligence checks, etc., to obtain information on how the procedure is progressing or to influence GCA in its decision concerning the award of the contract, will result in the immediate rejection of the bidder’s proposal.

In the interest of transparency and equal treatment, without being able to modify their proposals, bidders may be required, at the sole written request of the Evaluation Committee, to provide clarifications within 48 hours. Requests for clarifications will only seek minor clarifications of information already submitted by the bidder. No modifications to a proposal can be sought or accepted through a request for clarification (except for the correction of arithmetical errors discovered during the evaluation of the proposal).

5.1 Exclusion Criteria

Participation in this RFP is open on equal terms to any natural and legal companies not in any of the situations listed in Article 57 of the EU Directive 2014/24/EU.

Bidders shall provide a Declaration of Honor (see Annex 2), duly signed and dated, including a statement that they are not in any of the situations listed in Article 57 of EU Directive 2014/24/EU. In case of a joint proposal such declaration shall be submitted for each partner. The declaration shall also be submitted for the subcontractors, when relevant.

Besides the submission of the signed Declaration of Honor, the bidder undertakes to inform GCA, without delay, of any changes to their situation in this regard.

Bidders may be excluded from participation in this RFP if they are found to be in one of the situations for exclusion or fail to submit the above-mentioned declaration.

5.2 Selection Criteria

Bidders will be evaluated against each Selection Criterion based on the documentary evidence submitted by the bidder. Failure to submit the evidence requested will lead to a rejection of the proposal. Bidders will be evaluated against the Selection Criteria on a pass/fail basis. Bidders who meet the Selection Criteria will be put on an equal footing for the next stage of the evaluation process based on the Award Criteria.

Bidders shall be evaluated against the following Selection Criteria:

(1) Professional and Legal Capacity
(2) Financial and Economic Standing
(3) Technical Standing

The overall combined score will be 100 points, the weight distribution shall be 80 points for the technical proposal and 20 points for the financial proposals.

It is important to note that the required minimum cumulative score (threshold) for the Technical Proposal is 75% (60 points). Only proposals obtaining the minimum score (threshold) or more in the Technical Evaluation will progress to the Financial Evaluation.

Technical Proposals scoring less than the minimum score (threshold) will be considered of insufficient quality and shall be rejected. The contract shall be awarded to the top ranked bidder who submitted the most economically advantageous tender based on the best price quality ratio in accordance with the following criteria:

**Total Technical Criteria Score** 80 60

**Total Financial Criteria Score** 20

**Combined Technical and Financial Score** 100

Bids scoring less than the minimum score for any main technical award criterion (TC.1, TC.2, and TC.3) will be considered of insufficient quality and shall be rejected.

For the purposes of the evaluation of the Financial Proposal, the bidder offering the lowest price shall receive the maximum total score of 20 points. The score of all other financial proposals will be calculated using the following formula:

Financial score = (Lowest bid/Current bid) x Maximum points to be awarded

After careful scoring of each bidder’s proposal (technical and financial), GCA shall award the contract to the bidder that obtains the highest combined technical and financial score. The decision will be communicated by email to all bidders.
6. RFP Cancellation

GCA reserves the right to cancel this RFP process at any point. GCA shall not be liable for any compensation with respect to interested bidders whose submissions have not been accepted, nor shall it be so liable if it decides not to award the contract.

Cancellation may occur where:

1) The RFP procedure has been unsuccessful. For example, where no technically/financially responsive proposal has been received or there has been no response at all.
2) The economic or technical parameters of the project have been fundamentally altered.
3) Exceptional circumstances or force majeure render normal performance of the project impossible.
4) All technically compliant proposals significantly exceed the financial resources available.
5) There have been irregularities in the procedure where these have prevented fair competition.

In the event of cancellation of RFP procurement proceedings, bidders will be notified by GCA.

7. Ownership of Proposals Submitted

Any document submitted in reply to this RFP will become the property of GCA and will be regarded as confidential.

8. Liabilities for Errors

GCA, its employees and agents shall not be held liable or accountable for any error or omission in any part of this RFP or response to bidders’ questions. While the GCA, and/or its employees and agents have made conscious efforts to ensure an accurate representation of information in this RFP, the information contained in the RFP is supplied solely as a guideline for bidders. The information is not guaranteed or warranted to be accurate by GCA, and/or its employees or agents, nor is it necessarily comprehensive or exhaustive. Nothing in this RFP is intended to relieve bidders from the responsibility of conducting their own investigations and research and forming their own opinions and conclusions with respect to the matters addressed in this RFP. Bidders will be solely responsible to ensure that their proposal meets all requirements of the RFP, to advise GCA immediately of any apparent discrepancies or errors in the RFP, and to request clarification if in doubt concerning the meaning or intent of anything in the RFP.

Annex 3: Scope of Work/Terms of Reference

1. Background Information
The Global Center on Adaptation (GCA) is an international organization that works as a solutions broker to catalyze action and support for adaptation solutions, from the international to the local, in partnership with the public and private sector, to ensure we learn from each other and work together for a climate resilient future. Adapting to impacts of climate change provides a “win-win” for health, livelihoods, food security, water supply, human security, and economic growth. The work of the GCA elevates the visibility and political importance of climate adaptation and facilitates solutions, such as smarter investments, new technologies and better planning to become more resilient to climate-related threats. GCA is a rapidly growing organization with offices in Abidjan, Beijing, Dhaka, Groningen, and Rotterdam.

The GCA has an ambitious 2020-2025 business plan with three pillars:
- Programs and Action: Food Security; Using Nature for more resilient infrastructure; Water for Urban Growth and Resilience; Climate Finance; Youth Leadership
- Knowledge Acceleration: Building adaptation knowledge globally through cutting edge products such as the State and Trends in Adaptation Report and the Knowledge Exchange Platform
- Agenda Setting and Advocacy: Formulating policy messages to move the global, regional, and local adaptation agendas forward.

As part of these activities, the GCA has launched a new project to develop “Africa Adaptation Acceleration Program (AAAP) Compacts”. These national investment roadmaps for climate adaptation aim to increase adaptation investments in Africa, in the current context of frequent and intense adverse impacts of climate change on national economies. These Compacts will enable African countries to strengthen their climate change adaptation agenda, allow them to meet their financial needs, and fill their adaptation funding gaps. The Compacts will provide individual African countries with a solid foundation for decision making, resource allocation, and greater investments in their adaptation projects and programs.

2. Objective of the Assignment
For this assignment, the GCA is looking for a partner to undertake the development of two additional AAAP Compacts for Benin and Ethiopia, from inception to the final reports. Additionally, the partner will be asked to progress two existing Compacts from their preliminary versions to the final stages, through review and editing. All four reports are to be delivered by COP28.

3. Scope of the Services to be Performed
The services sought by the GCA for this assignment encompass the following:

- For 2 new AAAP Compacts: Creation of the reports from inception to the final version, including drafting and editorial activities; analytical work; consultation with government counterparts; and copywriting and proofreading.
- For the finalization of 2 existing AAAP Compacts: Progression from draft version to final version, including by reviewing draft text; updating project mappings and financial flows analysis; consulting with government counterparts; and final editing.

The outcome of these activities will consist of the four final reports, to be presented at COP28.
4. Key Tasks and Activities to be Performed

- Collaborate with the GCA’s macro-economic modelling partner to produce detailed projections on funding needs and expected funding contributions at national vs. international level, public vs. private sources, etc.;
- Identify data gaps on the basis of the analysis conducted;
- Leverage the data collected to produce an investment roadmap for the country;
- Synthetize findings and identify highlights for political messaging;

*Editorial work:*
- Lead to completion the drafting and editing of the Compacts, seeking inputs from GCA teams as required;
- Copywrite and proofread the final versions of the Compacts, delivering final drafts in a timely manner to allow coordination with the design and printing processes.

These tasks are to be performed for each of the two designated countries for which a new Compact is being developed: Benin (in French) and Ethiopia.

**Progression of existing AAAP Compacts**

*Analytical work:*
- Review and update the project mapping of the draft Compact;
- Review and update the financial flows analysis, including by collaborating with GCA teams to breakdown the identified projects into a jointly determined typology;
- Manage government and stakeholder consultations and integrate feedback as needed.

*Editorial work:*

5.10 Without prejudice to any other rights or remedies to which GCA may be entitled under this Contract, in the event of delayed delivery of Services or insufficient or inadequate performance by the Contractor of its obligations under this Contract, GCA shall be
entitled to adjust the Fee, the respective dates of payment and the schedule of the Deliverables to reflect the actual progress of the Services.

ARTICLE 6

**Deliverables**

6.1 Upon the delivery of the Deliverables or any portion thereof in accordance with Article 2, GCA will evaluate the same whether to accept or reject.

6.2 If the Deliverables or any portion thereof fails GCA’s acceptance test, the GCA will inform the Contractor of the reasons for such failure. The Contractor will endeavor to identify and remedy the cause for any such defects within the due dates as set out in the description of the Services, or another such period as may be agreed between Parties. The Contractor will re-deliver the Deliverables or any portion thereof to GCA. GCA will repeat the acceptance test and will inform the Contractor of the result thereof.

6.3 If following the procedure set out in Article 6.2 any Deliverables or portion thereof fails in a material respect to pass any repeated acceptance test, then Parties may agree:  
6.3.1 To repeat the procedure set out in Article 6.2; or

6.3.3 To terminate this Contract on immediate written notice and the GCA shall owe the Contractor no further payments in respect of the rejected Deliverables and any prepayments relating to these undelivered Deliverables shall be paid back by the Contractor to GCA.

ARTICLE 7

**Representations and Warranties**

7.1 The Contractor shall complete and sign the Declaration on Honor attached to this Contract as Annex 2.

7.2 Contractor warrants that none of the situations of exclusion, as described in Sections I and II of the Declaration on Honor (Annex 2), applies.

7.5 Contractor warrants that for a 90-day period from the final payment under this Contract (hereinafter the “Warranty Period”), the Deliverables shall be free from material defects. If, during the Warranty Period, the GCA believes that there is a breach of this Article 7.5, then GCA will notify the Contractor in writing, setting forth the nature of such claimed breach. The Contractor shall, at no additional charge to GCA, promptly
take such action as may be reasonably required to correct such breach within the period of time that GCA determines at its sole discretion.

7.6 Contractor warrants that the Services provided hereunder, and the Deliverables delivered to GCA shall not infringe or violate the intellectual property rights or any common law right or any personal, proprietary, or other right of any kind whatsoever of any person, firm or third party.

7.7 Contractor warrants that the Services will be provided in accordance with all applicable laws, regulations and industry guidelines as applicable from time to time.

7.8 Contractor warrants that it shall only process GCA’s data in order to perform its obligations under this Contract and shall only process the data in accordance with the General Data Protection Regulation (GDPR) and other applicable privacy regulations.

7.9 The Contractor shall not, and shall procure that its employees, agents, subcontractors and representatives shall not offer, solicit, make or accept any payments or advantages of any kind whatsoever or transfer anything of value, whether directly or indirectly, to any government official, person or entity in order to influence any decision, obtain or retain business, secure any improper advantage and/or otherwise in connection with this Contract.

7.10 The Contractor warrants that it shall not commit any other act which shall be unlawful under, and/or in contravention of, applicable anti-bribery laws and international anti-corruption treaties.

ARTICLE 8

Indemnification

8.1 The Contractor shall indemnify, defend, to the fullest extent possible under applicable law, including reasonable attorney’s fees and expenses, and hold harmless the GCA against all claims, fines, suits, losses, costs and damages in connection with and/or resulting from any default in relation to Article 7.

8.2 The Contractor shall further indemnify, defend, to the fullest extent possible under applicable law, including reasonable attorney’s fees and expenses, and hold harmless the GCA against all claims, fines, costs, suits, losses, and damages in connection with or arising from (i) any act or omission to act in relation to the Services, unless such act or omission to act directly results from any act of the GCA for which it can be seriously blamed, or (ii) any breach of this Contract or any applicable national or international law by the Contractor or by those for whom it is responsible. The Contractor waives any entitlement pursuant to article 7:658 sub 4 (BW) Dutch Civil Code.

8.3 Without prejudice to any other rights set out in this Contract, each Party (hereinafter the “Indemnifying Party”) hereby agrees to indemnify, defend and hold harmless the other Party (hereinafter the “Indemnified Party”) from and against any and all losses arising out of or in relation to third-party claims of any kind which, if proven by a non-
appealable decision by the courts, would constitute a breach of the warranties made by the Indemnifying Party.

8.4 If a claim is made that may give rise to a claim for indemnity under this Article 8, then the Indemnified Party shall notify the Indemnifying Party of such claim immediately, give the Indemnifying Party all reasonable co-operation and shall not negotiate the claim without the consent of the Indemnifying Party in writing.

8.5 Should changes occur during the term of this Contract that are (or could be) relevant to the assessment of the legal relationship between the Parties for tax purposes, national insurance and/or civil law, the Contractor shall inform GCA immediately in writing.

ARTICLE 9

Confidentiality and Marks
9.1 The Contractor shall keep confidential and shall not, during the performance of the Services or at any time after the expiry or termination of this Contract, disclose to any person or make use of (i) any agreements, financial information, correspondence, documents or other information relating to the GCA which the Contractor has obtained during the course of this Contract or the provision of the Services, or (ii) any other confidential information which the Contractor has obtained in the course of this Contract or the provision of the Services, or (iii) any information contained in this Agreement, in each case without the prior written consent of the GCA. The Contractor undertakes to take sufficient measures to ensure confidentiality with respect to all business data and information of GCA and/or of its business partners, unless (i) the use or disclosure of this information and data is necessary for the proper performance of the Services, or (ii) such information and data have become generally known without this being due to breach of the duty of confidentiality, or (iii) the disclosure of such information is required by court order or any other legal process.

9.2 The Contractor undertakes to use the data and information referred to in Article 9.1 only to perform the Services.

9.3 If the Contract is terminated or dissolved, or upon any reasonable request of the GCA, the Contractor must ensure that all materials, electronic media, documentation and other information that includes data and/or information made available by the GCA shall be returned to the GCA immediately and all digital or other copies are destroyed, deleted and removed.

ARTICLE 10

Intellectual, Industrial and Proprietary Rights
10.1 All right, title and interest in the Deliverables, including any products, methods, works and/or materials developed by the Contractor, in whole or in part, during or in connection with this Contract, shall automatically vest in the GCA upon creation and the GCA shall be the sole and unlimited owner thereof and of rights therein throughout the world perpetually. GCA shall retain all such rights therein, including but not limited to statutory copyrights, and all renewals thereof, as a copyright author and proprietor.
10.2 The Contractor agrees to execute and deliver, and to use maximum endeavors to cause any subcontractor to execute and deliver, to GCA any and all materials, instruments, source documents, designs, instructions and codes reasonably required by the GCA in connection with the use, adaption, execution and enjoyment of the Deliverables and of the GCA’s rights therein and thereto.

10.3 Contractor undertakes to do everything necessary to ensure that all existing and any future Intellectual and/or Industrial Property Rights pertaining to the Deliverables are (and remain) vested with GCA or with third party designated by the GCA. The Fee or rates that Contractor charges to GCA in the context of the Contract shall be deemed, in as far as necessary, to include payment for these Intellectual and/or Industrial Property Rights. To effect this transfer, the following acts must at any rate be performed: by signing the Contract, Contractor transfers to GCA all existing and future Intellectual and/or Industrial Property Rights to existing and future Deliverables and the results of the Services.

10.4 Insofar as these acts prove not to ensure that all Intellectual and/or Industrial Property Rights are transferred to the GCA, the Contractor undertakes, if the situation arises, to do everything possible to effect the transfer, without the Contractor being allowed to attach further conditions to its cooperation. As long as this has not been done, Contractor hereby gives the GCA: an irrevocable authorization to exercise and protect the powers arising from the relevant Intellectual and/or Industrial Property Rights in and out of court; an exclusive, royalty-free, transferable, irrevocable, perpetual, and worldwide license, to use all Deliverables and all Intellectual and/or Industrial Property Rights pertaining thereto.

10.5 Notwithstanding the foregoing, insofar as Contractor has made any material available to GCA, to which material Contractor has Intellectual and/or Industrial Property Rights, Contractor states that it shall grant GCA a non-exclusive and non-transferable right to use this material.

10.6 The Contractor shall hold or obtain all consents, permissions and/or clearances in third-party intellectual property rights necessary to enable it to perform the Services. The Contractor shall be liable for any violation of legal provisions or rights of third parties in respect of all rights used in the Deliverables or during the performance of the Services. The Contractor, to the extent permitted by law, agrees to indemnify and hold harmless the GCA from all claims and causes of action asserted by third parties based on (alleged) Intellectual and/or Industrial Property Rights or on any other basis.

10.7 It is acknowledged and agreed by the Parties that GCA owns all property rights and may use, adapt, add to and subtract from the Deliverables and combine these with other artistic or literary material and to publish the result by any means, it being understood that the Contractor (including its employees and subcontractors) hereby waives and agrees not to exercise or enforce any so-called “moral rights” which may now or may hereafter be recognized.
10.8 GCA grants Contractor a non-exclusive, non-transferable, non-assignable and limited right and license to use the following only to perform the Services in accordance with this Contract: The GCA’s trademarks, trade names, tag lines logos or service marks and any information made available to the Contractor by the GCA.

**ARTICLE 11**

**Termination of the Contract**

11.1 In addition to the statutory provisions pertaining to termination, in the cases below, without judicial intervention or further notice of default, whole or partial termination of this Contract shall be possible, with immediate effect, by:

11.1.1 Either Party, if the other Party becomes insolvent, has applied for a suspension of payment, or that other Party has been adjudicated bankrupt;

11.1.2 Either Party, if the other Party is prevented by force majeure from complying with its obligations wholly or in part for a period of three months or more;

11.1.3 Either Party, if the other Party discontinues its business operations;

11.1.4 The GCA, if the Contractor, after a written demand from the GCA allowing a reasonable time for compliance, still fails attributably to comply promptly, properly or at all with any obligation under this Contract;

11.1.5 The GCA, if there is any doubt about the reliability and/or integrity of the Contractor, resulting from the screening process including but not limited to, for example, the condition that it has been determined that the Contractor has been involved in serious incidents or irregularities with previously contracted persons, clients, employers and/or on previous assignments;

11.1.6 The GCA, if one or more of the exclusion criteria mentioned in section I or section II of the signed Declaration on Honor becomes true for the Contractor.

11.2 Termination of this Contract shall not affect the other rights and/or recovery possibilities of the Party terminating it.

11.3 In the event of termination by GCA due to the fault of the Contractor, the GCA shall withhold and deduct from payment to Contractor the amount reasonably deemed necessary to complete the Services and deliver the Deliverables.

11.4 Unless and to the extent otherwise specified in this Contract, on the termination of this Contract for any reason, the GCA shall be responsible for paying the part of the Fee for Deliverables that have been accepted by the GCA up to and including the effective date of termination.

11.5 In the event that either Party wishes to terminate this Contract, a 30-day notice period will be taken into account by both the Contractor and the GCA, except for the situations mentioned in Article 11.1 above.

11.6 The following Articles shall survive any termination, cancellation or expiration of this Contract, together with any other provisions herein that by their nature shall survive: Article 7 (Warranties), Article 8 (Indemnification), Article 9 (Confidentiality and Marks), Article 10 (Intellectual, Industry and Proprietary Rights), Article 14.8 (Notice) and Article 15 (Applicable Law).
ARTICLE 12

Liability
12.1 In case the Dutch Tax Authorities and/or the Implementing Authority with regard to social security (Uitvoeringsinstelling, "UWV") decide(s) that one or more of the invoices paid under this Contract are subject to wage tax and/or social security contributions, GCA shall levy the statutory deductions due and these shall be borne by Contractor, except for the premiums in respect of employees’ insurances (premies werknemersverzekeringen) and the income dependent contribution pursuant to the Act on Insurance for Care (inkomensafhankelijke bijdrage Zorgverzekeringswet). From that moment all the fees involved will be considered as (gross) wages including holiday allowance and be reduced to the level where payment without wage taxes and/or social security contributions can take place.

ARTICLE 13

Sickness and Inability to Work
13.1 The Contractor agrees to bear the risks pertaining to the Services, including sickness and inability to work, and if the Contractor takes out insurance to cover such risks, the Contractor shall bear the cost of such insurance.

13.2 The Contractor shall not invoice the GCA any days on which the Contractor was unable to perform the Services due to illness, leave or any other reason.

ARTICLE 14

Final Provisions
14.1 The Contractor shall sign the GCA’s Statement of Acknowledgment in Annex 1 which forms part of this Contract.

14.2 Amendments to this Contract shall be valid only insofar as they have been explicitly agreed in writing by both the signatories of this Contract, or any of their successors. The persons mentioned in Article 14.8 below, other than authorized representatives/signatories, are not legally representing any of the Parties and cannot amend this Contract verbally or in writing.

14.3 Contractor hereby declares that it has not offered or given GCA staff any benefit in order to obtain this Contract.

14.4 Contractor shall not be entitled to assign or otherwise transfer this Contract nor any of its rights or obligations under this Contract without the prior written consent of the GCA.

14.5 If at any time one or more of the provisions of this Contract becomes invalid, illegal or unenforceable under any law, the validity, legality and enforceability of the remaining provisions of this Contract shall not in any way be affected or impaired.

14.6 The Contractor and the GCA must always inform each other about:
14.6.1 Possible problems arising in the performance of this Contract;
14.6.2 Relevant changes that can be expected in the relation to the Services or this Contract.

14.7 Both Parties consent that this Contract, together with its amendments, may be signed electronically and such electronic signature shall be deemed valid.

14.8 The contact persons and contact details regarding the content and delivery of the Services are:
   For GCA: [name], [email], [telephone]
   For Contractor: [name], [email], [telephone]
