Issue Date: 25 November 2023

ADDENDUM NO. 1

GCA-PR-23-413 - Request for Proposals

Consulting Services for Modelling Social Economic Outcomes of Climate Change (AAAP Compacts Modelling)

This addendum addresses and/or clarifies the following:

Questions & Answers:

**Question 1:** *Project Timeline:* According to Annex 3 (Section 5) of the RfP document, the submission timeline for drafts and final modelling results is specified as December 12 and December 20, 2023, respectively, with results feeding into COP28 reports. Could you kindly confirm if this timeline is finalized, or are there potential adjustments, especially considering the dates for COP28?

**Response 1:** The outputs will be included in the final drafts following consultations at COP. The timelines remain the same.

**Question 2:** *Duration of Consulting Services:* Given the comprehensive nature of the modelling work, would it be feasible to extend the tentative duration of the engagement? Additionally, would a start date in January 2024 be feasible, considering the December holidays?

**Response 2:** The timelines reflect the urgent need for the data.

**Question 3:** *Budget Range:* Could you provide a tentative budget range for the specified scope of work?

**Response 3:** In order to achieve value for money and attract competitive financial proposals, the budget for this procurement will not be disclosed. All bidders are required to use the Terms of Reference (TOR) and Financial Proposal Form provided in the RFP to cost the services.

All other requirements regarding the Request for Proposal remain the same.
