### Questions & Answers:

**Question 1:** This RFP was announced a few weeks ago but under a framework contract. Would it be possible to clarify if it is part of a Framework contract, please?

**Response 1:** This is now being issued outside the framework agreement and framework holders are encouraged to participate.

**Question 2:** To prepare a quality offer, would it be possible to consider a two-week extension deadline?

**Response 2:** The closing date is now updated to 10 December 2024. The Government of Cameroon is ready to kick off in December and we cannot extend the deadline any further.

**Question 3:** Can I ask which framework this falls under please? Or how this competition is being run?

**Response 3:** This does not fall under any framework agreement and is open to all interested and qualified bidders. Please review the RFP for details on how the competition is being run.

**All other requirements regarding the Request for Proposal remain the same.**
