Addendum No. 2

GCA-PR-24-634 - Request for Proposals

Gender and Vulnerability Assessment in Cameroon

This addendum addresses and/or clarifies the following:

Questions & Answers:

Question 1: Could you kindly confirm that the Technical Support mentioned in Point 7 of the ToR (page 29) is not considered part of the "supporting team" referenced on page 31? Additionally, can you confirm that this Technical Support is not included in the estimated total of 150 workdays?

Response 1:

The technical support referenced in the question is not part of the supporting team due to the minimal level of effort anticipated or the nature of their tasks.

However, the total level of effort (150 days), its breakdown, plus the budget cap on missions and logistics is indicative of the maximum budget.

All other requirements regarding the Request for Proposal remain the same.
